CLOSET:
Each resident is provided with a closet that is approximately 44" wide x 26" deep. The closet is equipped with one shelf and a clothes rod. An adjustable tension rod is provided for each closet. It is the student's option to hang a curtain or fabric for privacy. (RIGHT)

DRESSER:
Each student has a five-drawer dresser that is approximately 30" wide x 19" deep x 44" high. (ABOVE)

BOOKCASE:
Each resident is provided with a one shelf bookcase which provides three levels of shelving. (LEFT)

GARBAGE/RECYCLING CONTAINERS:
Each room has three bins to be used for garbage and recycling. Students are responsible for removing waste to the appropriate receptacles outside of each hall. (RIGHT)

BEDS & MATRESSES:
Each residence hall student is provided with an extra long twin bed. The measurements of the mattress are 36" x 80". The beds are adjustable and are approximately 16" off the ground. The two beds in the room are designed with the ability to be bunked together. Headboards and footboards may be removed for use with a loft system. (ABOVE)

RESIDENCE HALL PHOTOS

CLOSET:
Each resident is provided a closet that is approximately 44" wide x 26" deep. The closet is equipped with one shelf and a clothes rod. An adjustable tension rod is provided for each closet. It is the student's option to hang a curtain or fabric for privacy. (RIGHT)
PEDESTAL:
The pedestal (two per room) sits on wheels and can be easily moved/rolled to different locations. You will find the pedestal and desk chair tucked under the desk.

The pedestal has a top drawer with a metal security option to attach a padlock. This drawer is ideal for items of value; money, laptop computers, jewelry, etc. Student must provide their own padlock.

HUTCH & HUTCH LIGHT:
Each desk (two per room) comes with a removable hutch. The hutch is required to stay in the student's room the entire school year.

DESK:
Each residence hall student is provided a desk with a hutch. The hutch contains a light, corkboard and also book storage area. Each desk contains a chair and a moveable three drawer pedestal (top drawer is lockable with a padlock provided by the student).

CHAIR:
Each room has two desk chairs. These chairs have the capability to tip back, in a rocker motion.
MAILBOX:
Each student receives a mailbox located in the lobby of the residence hall they reside. The mailbox is shared with their roommate. The student's room key should be used to access the mailbox which is labeled by room number.

Regular US mail along with campus related mail will be sent to this mailbox and should be checked daily by one of the roommates.

If a student receives a package too large for the mailbox, a ‘package slip’ will be placed in the mailbox which indicates to pick up the package during posted desk hours. (RIGHT)

IRONING BOARDS:
Ironing boards are located in the laundry room of each hall and in the recycling room on each wing. An iron may be checked out at the main desk with use of a hall activity membership that can be purchased from each hall ($12-$15). For this reason, it is not necessary for students to bring irons, ironing boards, cooking supplies, board games, recreational equipment, etc. (ABOVE)

MICROWAVE & TOASTER:
Each of the 9 traditional residence halls has a microwave available on each floor or wing. Each microwave room also contains a toaster. Personal microwave ovens are also allowed within individual student rooms; however, residents are not permitted to have toasters in their room. (ABOVE)

RECYCLING BINS:
Paper recycling bins are located at the hall mailboxes as well as in student rooms. (ABOVE)

MIRRORS:
Each residence hall room has two mirrors; located on opposite walls (one for each resident) (LEFT)

Each residence hall wing has one full-length mirror located in the hallway. (ABOVE)
CURTAINS:
Each room comes with a set of curtains. They are neutral in color. (LEFT)

CARPET:
Each student room is carpeted. Hallways on each wing are also carpeted. (RIGHT)

REFRIGERATOR:
Each room comes with one 4.0 cubic foot refrigerator. (LEFT) A student may also bring his/her own unit that must be less than 5.0 cubic feet, but will be charged $12.50/semester for electrical use. (LEFT)

ROOM LIGHTS & BULLETIN BOARD:
Each room comes with four room lights (two per side). Separate switches for each light. Each room has two bulletin boards. (BELOW)

CARPET:
Each student room is carpeted. Hallways on each wing are also carpeted. (RIGHT)
**CABLE SERVICE:**
Full cable service (with the exception of pay movie channels i.e. HBO, Cinemax, etc) is provided in each residence hall room. Each room is equipped with a coaxial cable and jack for the Platteville Cable System. Residents must provide their own television to use this service.

**PHONES:**
Each residence hall room is equipped with two phone jacks (one on each side of the room) which can be used to hook-up a telephone or answering machine. Local phone service is not provided. Students may use their own cell phones, a TracFone, or contract their own local service.

**DATA JACKS:**
Each residence hall room has two data jacks available for connecting to the UWP Network and the internet. Anyone wishing to use the internet connection in each room will need to register their computer for a ResNet Account and meet the minimum configuration.

**COMPUTER LAB:**
Each residence hall has a computer lab in the basement area with at least 5 PC computers connected to the UWP Network. The computers are also connected to a network printer at each residence hall main desk. Students can print to the desk according to the residence hall printing policy and also the OIT printing allotment policy.

**PRINTER:**
Each residence hall has a networked printer that student who use computers in their rooms may print to the front desk printer. This printer is also available for computer lab users. Students can print to the desk according to the residence hall printing policy and allotment policy.

**PHONE:**
Each residence hall room is equipped with two phone jacks (one on each side of the room) which can be used to hook-up a telephone or answering machine. Local phone service is not provided. Students may use their own cell phones, a TracFone, or contract their own local service.
RECREATION AREAS:
Recreation Areas are available for resident use in each of our residence halls. These areas are furnished with items such as a pool table, foosball table, ping pong table, or air hockey table; the number and variety of these items vary depending on the residence hall. Pool balls, cue sticks, etc... may be checked out from the front desk of the residence hall by a resident with an activity card; activity fees vary from residence hall to residence hall ranging from $12-$15. Click here for more information on the activity card.

(LEFT)

STUDY LOUNGE:
A study lounge is provided on each floor of our residence halls that can be utilized by the residents for group and individualized study as well as a space to relax and interact with others.

(LEFT)

WASHER/DRYER:
Coin-operated washers and dryers are available in every residence hall's basement. There are at least 5 washers and 6 dryers in each laundry room. Current costs are the following: for the washers $1.25 per load and $.75 for 51 minutes of drying (additional minutes available at $ .25)

(ABOVE)

LOBBY:
Each residence hall has a lobby area near the main entrance. This space serves as a great meeting/waiting area. The lobby is equipped with a phone so that guests can call up to a student room if needed. A phone is also found at the exterior entrance to place calls if doors are locked.

(RIGHT)

KITCHEN:
Each residence hall has a full sized kitchen in the basement. McGregor & Wilgus have a full-sized kitchen on each floor. The kitchen is used on a first-come basis and it is the student's responsibility to clean up their work space after they have used it. Dishes and the like that are left behind may be discarded. Limited storage is available in each kitchen.
